

How to participate in CLEARs public sale?

Thank you for your interest in CLEARs public sale.

This guide will define the rules of the sale as well as the steps to follow in order to participate.

It is not a contract. Please refer to the CLEARs White Paper for more information about the CLEARs token and CLEARs token sale, including the token details, bonus and steps.

Our goal is to ensure that all the steps of the CLEARs token sale, from the private sale (round 0) to the public sale (round 2) offer a safe and fair process to everyone involved.

ERC20 compatible wallet:

To participate to CLEARs public sale you will need an ERC20 compatible Ethereum Wallet. This wallet is critical to receive your CLRS tokens once the token sale is completed.

To get a ERC20 wallet you can use (we are not affiliated to them in anyway shape or form)
www.myetherwallet.com

Please be aware that wallets on exchanges (like Coinbase, Kraken, Poloniex) are NOT ERC20 compatibles and your coins will be lost permanently if you use this kind of wallet.

Token sale rules:

This public sale will be subject to the following rules, common amongst token sales:

- Everybody can participate except those specified below,
- Every request is reviewed before approval and can be rejected,
- The only form of payment is ETH,
- US citizens and residents are not authorized to participate,
- There is a hard cap of 50000 ETH total,
- Buyers are limited to purchase a maximum of 500ETH ,
- Payments should be received BEFORE November 1st at midnight GMT to qualify,
- Payments received after this deadline will automatically be returned to the sender,
- Tokens will be distributed starting November 15th or later,
- Participants will receive written confirmation of their payments which will include the exact amount received and the exact amount of CLRS tokens bought, bonus included if any.
